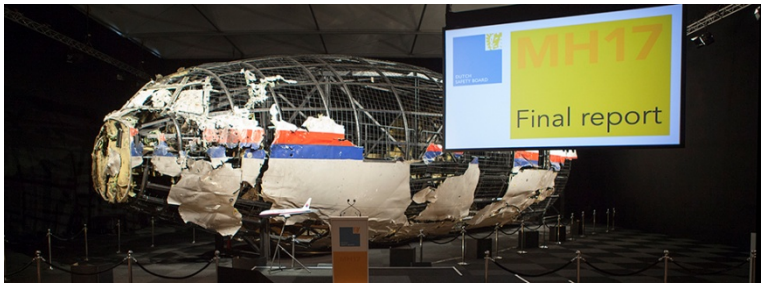
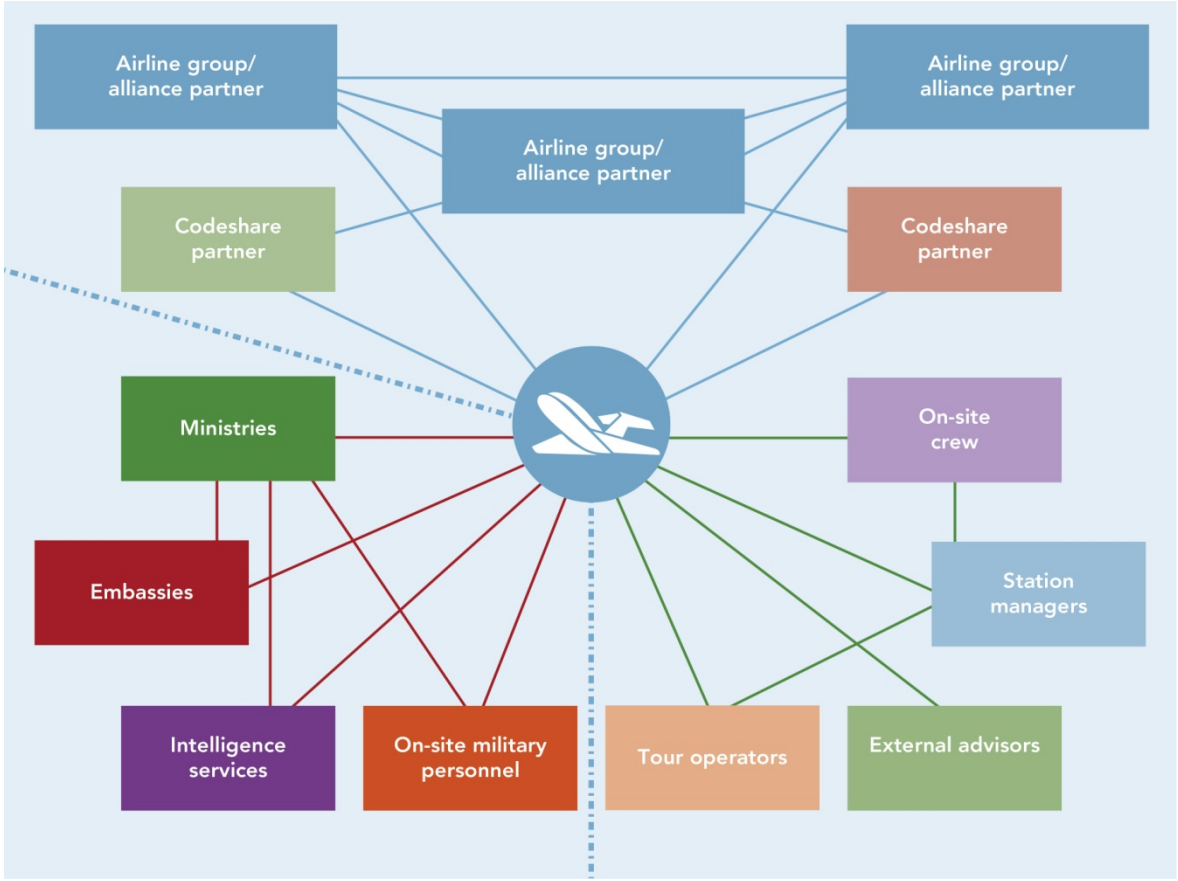
# Using STAMP philosophy in the investigation of flight MH17

Elsabé Willeboordse



## Using STAMP philosophy gained insight into :

- The interaction between parties
- The information flows between the different parties involved
- What role these parties had in determining the route of flight MH17
- The possibilities of the various parties to influence the process regarding the management of an airspace or determining a flight route



**Parties involved in the management of the airspace above the Ukraine and in determining the route of flight MH17**
